

DeLaval udder towel S50 (fleece)

The fleece udder towel is soft to the teats and very moisture absorbing. It's a very affordable solution for your udder preparation routine and its relatively large size makes it practical to use!

The white fleece fabric has a weight of 220 g/m², the towel measures 33 x 37 cm and is washable at 100°C. One pack contains 50 towels.
